

# PHIL TAGGART

Music and Entertainment Influencer

Phil Taggart is a broadcaster, DJ and music tastemaker, celebrated for his deep commitment to discovering new sounds and admiration for what came before those.

Phil currently hosts a weekday drivetime show on SiriusXM.

He is the creator of the ChillDaBeats podcast, which brings you a soft focus selection of the best alternative chill sounds with the biggest guests.

Phil is a key figure in the live music scene, hosting events such as Evolution of Disco in Belfast, where he takes crowds on a journey through the decades of disco music, blending nostalgic hits with contemporary twists.
